

WELCOME AT C.

C. offers different sorts of treatments for wellbeing and the natural beauty of the skin. Every first treatment starts with an elaborate professional consultation by one of our experienced specialists. The skintype is checked, as well as the state of health of the skin and possible problems. We also take into account your specific needs.

With every treatment, the skin is checked again and personal advice is given. Shaping of the eyebrows and waxing of the upper lip are always included in the treatment. The duration of the facial treatment mentioned is including advice and make-up afterwards (make-up is excluded for the C. Clean, C. Men and C. Mini).

Especially for our loyal customers, C. offers a loyalty card for treatments. **If you buy nine treatments of a kind at once, you will receive the tenth treatment for free. So that's a 10% discount on your treatment.**
